## **WORK EXPERIENCE**

### **1. Mothers Pizzeria Employee – August 2021 - August 2023**

5 Mile Rd - Northville, MI

Multi-tasking, working with multiple tasks at the same time under pressure to prevent excessive back orders.

Management, learning how to help other people on the shift while handling personal responsibilities.

### **2. Jimmy Johns – May 2024 - August 2024**

5 Mile Rd - Northville, MI

Customer service, working register and communicating with customers on getting their order details correct.

## **EDUCATION**

- Michigan State University and Northville High School
- Average Unweighted GPA of 3.4 as of current
- Computer Science Engineering Major
- Working towards a Network+ Certification

Education is very important to me and I'm striving for a focus in IT and networking. Educating myself on current technologies is a hobby of mine and I thoroughly enjoy working on my own computer technology.

## **SKILL SUMMARY**

- Computer Hardware Repairing; Worked on all sorts of technology for years.
- Technical Troubleshooting; I have assisted many friends over the years in computer troubleshooting both online and in-person.
- Windows/Linux Expertise; I have worked with Windows applications exclusively for all of my life and experiment with Linux in a home lab.
